JAAOS on CD-ROM
Table of Contents

You can open any article within *JAAOS on CD-ROM* by clicking once on its title in the Bookmarks panel at left.

Articles in the Table of Contents' Bookmark list are grouped by Volume Year and Issue Number.

To open articles using the Bookmarks panel:

1) Click the triangle to the left of any volume year to reveal issue numbers.

2) Click the triangle to left of any issue number to reveal that issue's articles.

3) Click on any article title to open that article in Acrobat Reader.

You can widen the Bookmarks panel by dragging the panel's Resize icon to the right. The Resize icon is at the bottom of the panel's vertical divider bar.

To close the Bookmarks panel completely, choose "Page Only" from the View menu or Toolbar. To re-open the panel, choose "Bookmarks and Page."
