## Equipment

The diagram shows a human silhouette with arrows pointing to various measurement locations. Each arrow is connected to a data entry box. The boxes are as follows:

- Head:** Two boxes at the top for head width and head circumference.
- Neck:** A box on the right for neck circumference.
- Shoulder:** A box on the left for shoulder width.
- Chest:** A large box on the left for chest circumference.
- Waist:** A box on the right for waist circumference.
- Upper Arm:** A box on the right for upper arm circumference.
- Lower Arm:** A box on the right for lower arm circumference.
- Leg:** A box on the right for leg circumference.
- Foot:** A box on the right for foot length.
- Height:** A box on the left for height measurement, with a vertical line indicating the measurement point.
- Hand:** A box on the left for hand length.
- Wrist:** A box on the left for wrist circumference.
- Thigh:** A box on the left for thigh circumference.
- Calf:** A box on the left for calf circumference.
- Heel:** A box on the left for heel length.

There are also several empty boxes for additional data entry.
