Revised by: Matt Deatherage
November 1988

This Technical Note formerly documented the file formats for AppleWorks™, which is now published by CLARIS.

Changes since November 1988: Updated the CLARIS mailing address.

This Note formerly documented the file formats available in AppleWorks and /// E-Z Pieces (AppleWorks for the Apple ///). This information is now documented in three File Type Notes:

AppleWorks Data Base \$19
AppleWorks Word processor \$1A
AppleWorks Spreadsheet \$1B

For additional information on AppleWorks, contact CLARIS at:
