#44: **GetPenState and SetPenState Record Error**

Revised by: Matt Deatherage March
1991
Written by: Keith Rollin
November 1988

This Technical Note corrects an error in the record used for `GetPenState` and `SetPenState`.

Changes since November 1988: This note is now obsolete.

This Note formerly described an error in the pen state record in Volume 1 of the *Apple IIGS Toolbox Reference*. This error is corrected on page 43-2 of Volume 3 of the *Toolbox Reference*.
