The image displays a complex, abstract geometric pattern composed of numerous black lines of varying lengths and orientations. The lines are arranged in a way that creates a sense of depth and perspective, resembling a stylized architectural drawing or a technical diagram. The pattern is dense and intricate, with many lines intersecting to form a grid-like structure. The overall effect is one of a highly detailed and complex geometric design.

-Mailing List-

To get on the mailing list your mail box must support larg uuencoded files.
Although the files are not large now, the list is growing.

To subscribe send a message to BBSlist-Request@ramiga.cts.com.

In the body of the text put ADD and your full e-mail address.
To get off the list send a message to the address above with
the word DELETE and then your full e-mail address in the body.

There is no set time when they will come out. Every time I have
updated it enough to matter, is when they will be sent out.
