

May '94

Dear EasyKeys CD-ROM Buyer,

The 16 bit .Wav files that are contained on this Easy Keys CD are provided courtesy of Innovative Media Corp. through a special licensing arrangement with The Blue Ribbon SoundWorks Ltd. These 16 bit .Wav files are excerpts from Sonic Waves 3000, the largest royalty free 16 bit CD-ROM based collection of professional audio available.

Innovative Media Corp. proudly introduced Sonic Waves 3000 at Fall Comdex '93. The positive reviews and feedback we have received from this introduction has been astounding. You can share in this excitement by taking advantage of this special promotional licensing arrangement making you eligible for substantial discounted savings towards the purchase of the entire Sonic Waves 3000 CD-ROM collection.

In addition to this text file there are two .BMP graphic files that may be opened with any graphic package (Windows Paintbrush) to obtain additional information regarding Sonic Waves 3000. You'll find these files in the <CD-ROM Drive>:\Sonic directory.

The following pages highlight the power and versatility of Sonic Waves 3000 created by combining a sophisticated digital sound editor with over 1.2 billion bytes of 16 bit broadcast quality audio. Notice the wide variety of available audio offerings from the entire .Wav file listing from the 2 CD set that follows.

If your important projects require royalty free broadcast quality audio take advantage of this special promotional upgrade offer for Sonic Waves 3000 by calling or faxing your order today!

Daniel B. French  
President

35	Wrestling Effects

Relive The Excitement of Historical Events...

Share in the excitement as Neil Armstrong takes his first steps on the moon and John F. Kennedy takes the Oath of Office. This collection brings 28 historical speeches to life including...

Richard Nixon's "I am not a crook..."  
 Gen. Dwight Eisenhower's "People of Western Europe..."  
 Franklin Roosevelt's "A Day the will live in infamy..."  
 John f. Kennedy's "Ask not what your country can do for you..."

as well as speeches by Gen Douglas MacArthur, Bill Clinton, King Edward, Adolf Hitler and even a rare recording of Joseph Stalin.

Enrich Your Presentations with Music...

Create attention getting presentations with fanfare and mood setting background music. Sonic Waves 3000 has over 200 music clips comprised of IDs and Logos, Beds and Bits, Blues, Classical, Country, Easy Listening, New Wave, Pop Rock and more...

77	Music Beds and Bits (Mood Setting Background Music)
----	---

- 97 Music IDs and Logos (Attention Getting Music)
- 6 Music Miscellaneous including Dixieland, Marching and Salvation Army
- 27 Music Specialty

The Specialty Music Category includes...Take Me Out to the Ball Game, The Star Spangled Banner, Regards to Broadway, Shenandoah excerpt, Swanee River Banjo excerpt, William Tell Overture, Battle Hymn of the Republic, Hail to the Chief, America the Beautiful, The Entertainer and more!

## POWERFUL EDITING SOFTWARE

Created as second generation digital editing software, Sound Forge Apprentice provides the power and versatility of a sound editing studio in an easy-to-use Windows environment.

Cut, Copy, Paste, Mix, Delete, Crop and Undo...

Modify your sounds to meet your needs. Open and edit up to four sound files at one time. The Tool Bar gives you quick access to edit options.

Record Your Own Sounds...

Record your own sound effects and music clips to new or exiting sound files, in 8 or 16 bit, mono or stereo and from 5000 to 60000 Hz.

Apply Special Effects...

Customize your sounds with special effects. Add echo, fade in and out, flip the soundwave along its base line, insert silence, pan from the right to the left channel or visa versa, resample up or down, reverse, smooth and change the volume of your sound effects and music clips.

Convert Bits, Channels, Rate and Format...

Convert your files from 16 to 8 bit, mono to stereo (or visa versa) with just a click of your mouse. Convert rates by choosing from a list of common rate settings or by specifying a rate from 5000 to 60000 Hz. Record, open, save and convert files in .VOC and .WAV formats.

Synchronize Sound with Film or Animation...

Synchronize your sounds with film and animation using SMPTE 30 FPS, Drop 29.97 FPS, Nondrop 29.97 FPS, EBU 25 FPS, Film Sync 24 FPS, Beats Per Measure, Beats Per Minute or Frames Per Second. Display your wave forms in terms of samples, time, frames, beats or SMPTE.

## INFORMATION PACKED MANUAL

Packed with over 200 pages of digital sound editing information, the Sonic Waves 3000 manual contains 3 easy to use sections...

The Introduction to Sound and Digital Sampling Section covers Creation and Detection of Sound, Characteristics of Sound (pitch, amplitude and timbre), Digital Sampling and Impact of Resolution and Rate on Quality.

The Sound Forge Apprentice Section covers Buttons, Menus, Dialog Boxes, Status Fields, Special Effects, Advanced Editing Features, Optimizing Your PCs Performance and Recording Audio.

The .WAV Directory organizes files into categories. Graphic Icons make it easy to locate specific categories. Files are organized alphabetically by description within categories.

Requirements: PC, CD-ROM Drive, 8 or 16 bit Audio Board, PC Speakers, Windows 3.1

Suggested List Price: \$ 99.99

Special promotional Price: \$ CALL
