Credits

The MiscKit Project

Especially Steve Hayman for the MiscShell. This application is only a collection of MiscShells.

TabMatrix Folks

Bill Edney, Mark R. Onyschuk and Sean Hill

UNIX Hating Support

Simson Garfinkel, Daniel Weise and Steven Strassman...hope they don't mind me using the graphics from their genius book.

Cartoons

John Klossner who did all the cartoons for the UNIX-Haters Handbook...I stole some of them.

Special Thanks

To good old Santa for bringing some snow this winter.
