Q: How can I purchase software, licenses, etc. from Univel (UNIX, Documenter's Workbench, etc.)?

A: Univel can be reached through the following numbers :

> Univel UNIX Licensing/Software Sales: 800-828-UNIX (8649)
> Univel Computer Sales: 800-247-1212
> Univel International Computer Sales: 201-631-1503

(These are the same numbers used when AT&T owned UNIX.   UNIX is now the property of Univel, but the above numbers still are valid.)
