The Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Software is licensed, not sold and always remains the property of Lester Clayton Limited.

2. Licensing

This software has two licensing options available. If you have not paid for The Software, you are hereby granted a free license to use The Software as described in Sections 1, 2.1 and Sections 3 - 10 below.

2.1. Free License

You may:

Subject to the terms of this EULA, use The Software for personal purposes without charge. This includes the use of this software for personal purposes at places of business, but does not include business use at a place of residence.

If The Software is an upgrade, any transfer must include all prior versions of The Software.

5. Termination

Without prejudice to any other rights, Lester Clayton Limited may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of The Software.
