

HAZARDOUS MATERIALS REGISTRATION STATEMENT (back)

7. PRIOR-YEAR SURVEY INFORMATION: Hazardous Materials Activities, and States in Which Activity was Conducted.

Indicate those activities conducted by the registrant during the previous calendar year (e.g., 1992 for the 1993-94 Registration Year). Mark "A" through "E," as appropriate, to indicate the category or categories and the activity or activities (shipper, carrier, or other) in which the registrant acted. Check all categories and activities that apply. "Other" may be checked to indicate offeror activities not covered under the heading of shipper or carrier, such as freight forwarder or agent. Carriers should circle all states in which they operated as a hazardous materials carrier. Shippers and others engaged in offering hazardous materials should circle only those states from which they offered hazardous materials. They do not need to indicate to or through which states shipments were sent. A list of the states and their abbreviations appears in the accompanying brochure. Circle "48 Contiguous States," if appropriate, to indicate that the activity was conducted in all of the 48 contiguous states. If the registrant did not engage in activities covered by "A" through "E" during the previous year, but plans to do so in the current registration year, mark only "F."
