in depth

140 Top 50 Helpline queries answered

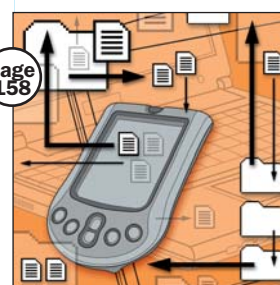

Our virtual mailbag is full every month with Helpline problems that, for the most part, our team of experts can solve. This lifesaver article brings together the most common computing problems that bother our readers, with concise and to-the-point solutions from those in the know.

152 Foreign exchange

Linguists from every corner of the PC Advisor offices took up the challenge to broaden their language knowledge with a variety of CD-ROM courses, from the typical beginner and advanced French, German and Italian packages to more unusual titles such as Arabic and Greek.

workshop

158 Syncing feeling

In an easy-to-follow, step-by-step guide we show you how easy it is to share and update information dynamically between separate devices, such as a desktop PC and notebook or PDA.

162 Windows tips & tricks

Our handy hints will improve your knowledge of the Windows operating system and make you a more efficient PC user in the process.

competition

You can win a fantastic digital photography bundle courtesy of Fuji, which includes a camera, photo printer and a year's supply of paper. Also up for grabs are Mindscape digital studio packages and EuroTalk language learning CDs.
