Composer of the Month: Gustav Mahler

Known more during his life for conducting than for his compositions (Gustav Mahler himself as a three-time winning Austrian, an Aust...

www.classical.com

We've recommended Classical.com before but we're mentioning it again because it has introduced a nifty new service. You can select 70 minutes of music from an enormous range of recordings. The site will burn your selections on to a customised CD, let you choose a title and artwork and then send it to you.

Days Like These
 Tate Special Exhibition of Contemporary British Art 2003

Shirley, London 1950
 Country: The Women's Institute & Bader College Hill

If you want to find out who's making an impact on the British contemporary art scene, come to Days Like These at Tate Britain. From young guns to established names such as Rachel Whiteread, Cornelia Parker and Richard Hamilton, see a snapshot of what's happening in today's art galleries around the UK today. Admission free.

www.tate.org.uk

Hard on the heels of its Guggenheim rival, which has been receiving glowing applause for its website, Britain's Tate gallery has pulled its own, impressive-looking, 360-degree imaging technology out of the bag. Tate.org.uk has chosen Henry Moore's infamous 1938 Recumbent Figure to showcase its latest technological upgrade.

Decorate!

Decorate online in virtual 3D with choice from thousands of products. All with 3D rendering service. Customise your own home or office. You'll know how it looks before you buy it.

www.interiorstudio.com

The beauty of Interiorstudio.com is that you don't have to let Laurence Llewelyn-Bowen anywhere near your precious abode. You can choose from a vast range of interior product designs and apply them to a selection of virtual rooms before plumping for a specific fabric or colour.

MINICLIP
 FREE GAMES AND SHOWS

Full Games List

www.miniclip.com

Broadband and gaming go together like a horse and carriage so here's another site for your fat pipe. Miniclip.com recently added a multiplayer option so you can take on anyone, any time, any place.

HISTORYWORLD

As your expanding history interests help you learn more about the world, national and local communities.

Make history Make sense

Discover hundreds of articles and images on the world, national and local communities.

www.historyworld.net

There's a burgeoning number of websites dedicated to all things in the past. Historyworld.net has come up with a much-needed history portal for those interested in virtual time travel.

Great for your kid's homework – and even greater on broadband.

www.klick.co.uk/digital_album.htm

You're back from holiday and have got plenty of digital snaps that David Bailey would be proud of. But how do you show off that beautiful sandy beach and bronzed midriff to far-flung friends and relatives? Enter this handy website from Klick.co.uk. Simply upload your photos then email your mates a link and password.
