WIN!

14 competition

You'll find a great mix of products up for grabs in this month's competition. First up, for those of you after extra desk space, Brother is giving away three multifunction devices. Then there's three 4D Business Kit 2.0 packages to get your business online. Finally, never forget your fave television show again thanks to DigiGuide and its customisable TV guide subscriptions.

91 Serving you right?

Are you a happy customer? We asked for your aftersales experiences of PC vendors and the results make colourful reading...

102 features

102 Supercharge your PC

It's a known fact that PCs date quicker than high-street fashion, but most of us can't afford to regularly buy a new system and have to make do with what we've got. Follow our guide to boosting power and performance, resulting in an up-to-the-minute machine.

ON THE COVER

110 Mega storage to go

Whether you're after a pocketable keychain-sized USB drive, portable hard disk or DVD drive, there's plenty of small form factor storage devices to choose from. We whittle down the options and give you our pick of the crop.

116 workshops

116 Getting more from Microsoft Office

We take Microsoft Office's three main applications – Word, Excel and PowerPoint – and show you how to make the most of their lesser known tools. Plus, we list a host of useful add-ons that won't cost you a penny.

ON THE COVER

122 Make the web work for you

The internet is expanding at breakneck speed, so finding the information you're after can all too easily turn into a laborious affair. We show you how to get the most from web search engines.

127 xp advisor

128 Love it or loathe it?

As our XP Advisor section draws to a close, we cast a critical eye over Microsoft's most successful operating system.
