

## Controls for Amok:

Alt+F4	Quit
F1	View
F2	Window/Fullscreen (only when Windows runs in 256 to 65536 colors)
F3/F4	Change screenmode
F5/F6	Change cd-volume
F7/F8	Change sfx-volume
F9	CD-music on/off (some cd-drives slow down the game quite a lot)
F12	Save screenshot (Targa only)
P	Pause
Right Mousebutton	Select screenmode
Arrow-up	Walk forwards
Arrow-down	Walk backwards
Arrow-left	Turn left
Arrow-right	Turn right
Shift	Run on/off
Alt	Slide on/off
Z	Slide left
X	Slide right
Ctrl	Fire
Space	Missile
Enter	Bomb
Backspace	Heavy missile

The game is optimized for hicolor, and is therefore not significantly faster in 256 colors. We suggest playing the TV-mode (320x240x32768, TV), or lo-res, hicolor (320x240x32768) if your graphics boards support it.

Some graphics modes does not yet work if you have DirectX II or greater.
