

# **Trakker, Version 2.2**

August '95

## **REGISTRATION:**

The demo version of Trakker allows you to evaluate a professional program designed to save time and money when using Compuserve. After you have worked with Trakker a while we're sure you'll agree it's worth registering.

Here is what you will receive when you register...

- **Trakker will automatically register itself if you use the "Register" feature from within Trakker. In about 30 seconds you can have a fully-registered version.**
- **Unlimited, FREE tech-support if you have a problem.**
- **A tech-support VOICE phone number.**
- **Free minor upgrades!**
- **SATISFACTION GUARANTEED or your money back!**

## **To REGISTER:**

### **(Using Trakker)**

1. Start Trakker.
2. From the "File" menu, select "REGISTER".
3. Press the "Register" button.
4. Let Trakker do the rest!

### **(Outside of Trakker)**

If you have a Compuserve account, simply:

1. Log on to Compuserve,
2. At any prompt type "GO SWREG",
3. Select registration Id# 3299.

## **FILES:**

The following files should be included in the distribution set.

TRAKKER.HLP  
PDQCOMM2.VBX  
PDQCOMM.X.DLL  
PDQCOMM.X.XFR  
CMDIALOG.VBX  
MLIST.VBX  
THREED.VBX  
TRAKKER.EXE  
TRAKKER.INI  
ASPSHARE.ICO  
IBM.ICO  
MSBASIC.ICO  
PRACTICE.ICO  
WINSHARE.ICO  
WUGNET.ICO

## **OPERATION:**

**If you installed Trakker on a drive other than "C:", please change the TRAKKER.INI defaults to reflect this. (If you installed in "D:\TRAKKER2" for example, simply change all references to "C:" in the TRAKKER.INI to "D:".) You can find the TRAKKER.INI in your \WINDOWS directory. This is the ONLY place you will need it.**

The Trakker .INI file should be kept in the Windows directory).

Trakker will only open and read files in it's native format, to do otherwise will result in an error.

Trakker now has the ability to create and update it's own database files, so no more waiting for updates!

To operate Trakker use the following as a guide:

After you have installed Trakker:

**To Receive Database Files:**

1. Run Trakker.
2. Select "Database from the File Menu.
3. Select "Create New Database" on the "Database Maintenance" Dialog.
4. Give it a unique name (in the pop-up box that follows).
5. Select which forum to use from the dropdown list. (The new database will cover this forum)  
Leaving "0" in the "Last Days" box will retrieve ALL file descriptions. So be prepared to be on-line atleast 10 minutes. Use "10" or "30" to retrieve the last 10 days or 30 days worth of uploads to a given forum.

**To Browse Database Files:**

1. Run Trakker.
2. Select "Open" from the File Menu and select a Trakker file.
3. You may now search, export, print, download, etc.

**TRADEMARKS:**

Trakker is a trademark of Micrologic Corporation.

Other trademarks as may appear in this or help documentation or the program are properties of their respective holders, and their incidental inclusion is not intended as, nor should it be construed as, a violation of any rights associated therewith.

**DISTRIBUTION:**

You may not distribute this registered version of the program.

ANY VIOLATION OF THIS WILL VOID YOUR REGISTRATION, AND SUBJECT YOU TO PROSECUTION AS A FELON.

**WARRANTY:**

Trakker is supplied "as is". The entire and exclusive liability and remedy for breach of the limited warranty implied by this agreement shall be limited to the replacement of defective diskette(s) or documentation supplied by Micrologic to users who register their copies of the program. Liability shall not include or extend to any claim for or right to recover any other damages, including but not limited to loss of profit, data, or use of the program or other software, or special, incidental, or consequential damages or other similar claims, even if

the company has been specifically advised of the possibility of such damages. In no event will the company's liability for any damages to you or any other party ever exceed the actual price paid for the license to use the program.

MICROLOGIC SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This license statement shall be construed, interpreted, and governed by the laws of the State of Washington. If any provision of this statement is found void or unenforceable, it will not affect the validity of the balance of the statement, which shall remain valid and enforceable according to its terms. If any remedy provided is determined to have failed of its essential purpose, all limitation of liability and exclusions of damages set forth herein shall remain in full force and effect.
