# _Runner v1.0  Shareware Installation Notes_

Thanks for  trying **Runner**..

On the shareware installation diskette you will find the following files.

| | | |
|---|---|---|
| RUNNER.EXE | : | The **Runner** Program |
| RUNNER.HLP | : | The **Runner** Help File |
| RUNNER.DAT | : | The **Runner** Sample Game |
| LEVEL01.MID | : | **Runner** Music file |
| LEVEL02.MID | : | **Runner** Music file |
| LEVEL03.MID | : | **Runner** Music file |
| README.WRI | : | This File |
| BBS.TXT | : | A text file description of **Runner** |
| JOYSTICK.ZIP | : | Windows Joystick Driver (compressed) |

To install the shareware version of **Runner**, copy all of the files, except JOYSTICK.ZIP
to the desired subdirectory on your system.

The JOYSTICK.ZIP file contains the files necessary to use a joystick from within Windows.
This is a Microsoft supplied, but unsupported, driver and is optional. If you have a joystick
connected to your system and do not already have a vendor suppplied joystick driver, unpack
JOYSTICK.ZIP to a floppy disk and follow the instructions contained within to install the driver.

**Runner** makes no modifications to your WIN.INI file.
