

The diagram illustrates a cross-section of a building with a central vertical corridor. On the left side, there are three identical office units, each consisting of a yellow rectangular area labeled 'Company Name', 'Company Address', 'District/Town', and 'Town/County Postcode', and a red rectangular area labeled 'Recipient Company Address', 'District/Town', and 'Town/County Postcode'. On the right side, there are three identical office units, each consisting of a yellow rectangular area labeled 'Company Name', 'Company Address', 'District/Town', and 'Town/County Postcode', and a red rectangular area labeled 'Recipient Company Address', 'District/Town', and 'Town/County Postcode'. The central corridor is a narrow vertical strip, colored blue on the left and red on the right. Horizontal lines represent the floors, and vertical lines represent the walls and the central corridor. The diagram is divided into three horizontal sections by two horizontal lines, representing three floors. The top and bottom sections have a yellow background, while the middle section has a red background. The central corridor is a narrow vertical strip, colored blue on the left and red on the right. The diagram is divided into three horizontal sections by two horizontal lines, representing three floors. The top and bottom sections have a yellow background, while the middle section has a red background. The central corridor is a narrow vertical strip, colored blue on the left and red on the right.
