## Table of contents

## Introduction

This file contains various fields which are not tolerated in Windows Help files, as well as a hard page break. If you are using a language other than English, can you select "View|Codes" from the menu bar and let me know what words are used for all these fields:

Table of Contents	TOC
Symbol	SYMBOL
Auto numbering	AUTONUM
Auto numbering, legal style	AUTONUMLGL
Auto numbering, outline	AUTONUMOUT
Index entry	XE

## Symbols

♥	Symbol font
8	Wingdings font
N	ZapfDingbats fonts
