#### **What is a Try & Buy Version?**

A Try & Buy version lets a person try out a computer program before buying it. While Try & Buy versions are copyrighted, and the copyright holder retains all rights, the author specifically grants the user the right to evaluate and distribute the program with limited exceptions.

After using the Try & Buy version for a defined evaluation period, the user must purchase a licensed copy of the program or remove the Try & Buy version from his or her system.

#### **Changes in Animation Shop 3.04**

- When opening Portable Network Graphics (PNG) containing an alpha channel, the channel content is read as transparency. Previous versions treated a PNG alpha channel as a Paint Shop Pro alpha channel. PNG alpha channels will also display as transparent areas in the browser and Open dialog box thumbnail previews as a result of this change.
- ASCII versions of PPM/PGM/PBM containing unusual white space characters can be read more reliably.
- Resolved issues with reading multi-page or poorly compressed LZW TIFFs.
- Increased the supported width limit on uncompressed TIFFs to 32,768 pixels.
- Fixed several other minor issues with text size, formatting, object placement, bitmap palettes, multi-byte character sets, and single or no pixel lines in metafiles.
- Multiple embedded bitmaps can now be read from a metafile.
- Corrected an issue where some CGM files displayed as a blank image because bad color values for lines, edges, and fills (brushes) displayed in the default background color (white). The program now assigns the default foreground color (black) to this content in accordance with the file format specification.
- Reduced JPEG compression for thumbnails to improve display quality.
- Added support for bitmaps with negative heights and fixed a problem reading OS/2 version 2.x bitmaps.
- The correct icons now appear for the corresponding File menu commands.

## Changes in Animation Shop 3.02

- A duplicate sample animation file (Insert&Apply.mng) has been removed from the program installation.

## Changes in Animation Shop 3.01

The list below cites the most significant changes in this version of the program.

- An issue that could cause program instability when attempting to open corrupted FLI and FLC files has been corrected.
- Canceling the Optimization Wizard will no longer return an application error.
- The Help button in the Open dialog box now displays the correct topic.
- A warning message dialog box now appears when attempting to open a MNG file that contains unsupported features. The program currently supports MNG-LC.

## Changes in Animation Shop 3.0

We have added several great new features and enhancements to Animation Shop 3.0. The most significant product changes are listed below. For a more detailed explanation of these features, please consult the Animation Shop 3 Help file.

- Integration of the Paint Shop Pro browser into Animation Shop, providing an intuitive manner for you to select image files to include in animations and open in the application.
- An Onionskin Preview mode allows you to preview an overlay of frames before and after the current frame for more precise animation editing and creation.
- A variety of frame and animation modification options have been added, including frame rotation options, a Mover tool, a color replacement command and floating text and image placement.
- New animation preview options, including enhancements to the Optimization Wizard and the ability to preview the current animation in your selected Web browser.
- A new Morph transition, for enhanced fade effects using customizable key points between frames.
- A new toolbar with VCR-style controls that allow you to play, fast-forward and rewind your animation.
- Support for reading MPEG-format video files.
- Enhanced integration between Animation Shop and Paint Shop Pro, including enhanced multiple-layer export and the ability to export all or part of an animation as a tube to be used with Paint Shop Pro.

## Software License And Limited Warranty

This Jasc End-User License Agreement ("EULA") is a legal agreement for the Jasc Software Product in which this EULA is contained, which includes computer software and may include associated media, printed materials, and "online" or electronic documentation (collectively the "Software Product"), between

you and Jasc Software, Inc. ("Jasc"). By installing, copying, or otherwise using the Software Product, you agree to be bound by the terms of this EULA. You must indicate your agreement to be bound by the terms of this EULA by pressing the "I ACCEPT" button on the Software Product's installation program, or else you will not be able to install the Software Product. If you do not agree to the terms of this EULA, you may not install or use the Software Product; you may, however, within 30 days of your initial purchase of a copy of the Software Product, return the entire copy of the Software Product (including all computer media, packaging and documentation) either to Jasc's Customer Service department or to the retailer from which you purchased the Software Product, for a refund of the amount indicated by your sales receipt for the Software Product, in which event your rights under this EULA are immediately terminated. If you are installing the Software Product on a computer that is not owned by you, you are bound to the terms of this EULA both in your individual capacity and as an agent of the owner of the computer, and your actions will bind the owner of the computer. You represent and warrant to Jasc that you have the capacity and authority to enter into this Agreement on your own behalf as well as on behalf of the owner of the computer the Software Product is being installed upon. For purposes of this EULA, the "owner" of a computer is the individual or entity that has legal title to the computer or that has the possessory interest in the computer if it is leased or loaned by the actual title owner.

**COPYRIGHT.** The Software Product is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. All title and copyrights in and to the Software Product (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into the Software Product) are owned by Jasc or its suppliers.

**GRANT OF LICENSE.** The Software Product is licensed, not sold. Subject to the condition that you are in compliance with the terms of this EULA: (a) you may install and use one copy of the Software Product, or any prior version for the same operating system, on a single computer for use by a single simultaneous operator; and (b) you may install a single copy of the Software Product, strictly for your own personal use, on one portable computer owned by you. No other use, copying or distribution of the Software Product is permitted. You may not rent the Software Product, nor may you offer use of it to others through a service bureau or application service provider. If you are installing this copy of the Software Product as an upgrade, update, patch or enhancement of a prior release of the same Software Product which was installed on the same computer, your rights under the prior license agreement for the Software Product are terminated, and all of your use of the Software Product (including its prior versions) are solely under the terms of this license agreement.

**LIMITATIONS.** Except to the extent such a restriction is unenforceable under local law, you may not reverse engineer, decompile, or disassemble the Software Product. The Software Product is licensed as a single product, and its component parts may not be separated for use on more than one computer. You may not modify, amend, or create derivative works of the Software Product.

**TERM.** If the Software Product that was distributed to you was labeled as an EVALUATION VERSION or TRY & BUY VERSION (or its functional equivalent) (an "Evaluation Version"), the license granted under this EULA commences upon the installation of the Software Product and is effective for the longer of 30 days following the date you install the Software Product or the first 20 uses (the "Evaluation Term"). Evaluation Version Software Products may include software code intended to disable their functionality after the expiration of the Evaluation Term. You may take no actions to circumvent the operation of such disabling code, and you accept all risks that might arise from such disabling code. If the Software Product was not distributed as an Evaluation Version, or if you converted an Evaluation Version installation of the Software Product to a non-Evaluation Version of the Software Product by authorized use of the conversion mechanism provided with the Software Product (in each case either being or resulting in a "Full-License Version"), the licenses granted under this EULA commence upon the installation of the Software Product and are effective in perpetuity unless terminated per the terms of this Agreement.

**TERMINATION.** Upon the expiration of the Evaluation Term (if any), your rights under this EULA terminate automatically without notice from Jasc. Without prejudice to any other rights, Jasc may terminate this EULA or your rights under this EULA at any time if you fail to comply with the terms and conditions of this

EULA. Upon termination of your rights under this EULA for any reason, or upon termination of the EULA itself, you must destroy all copies of the Software Product and all of its component parts in your possession (including all component parts, the media and printed materials, any prior versions, and this EULA). The terms of this paragraph shall survive any termination of this EULA.

**TRANSFER.** You may permanently transfer all of your rights under this EULA (except if your rights are in an Evaluation Version), provided you retain no copies, you transfer all copies of the Software Product (including all component parts, the media and printed materials, any prior versions, and this EULA), and the recipient agrees to be subject to the terms of this EULA. Upon the occurrence of such a transfer, your rights under this EULA terminate immediately.

**LIMITED WARRANTY.** The warranties and disclaimers described in this paragraph are collectively the "Limited Warranty". Jasc warrants to you (and only you) that the Software Product will perform substantially in accordance with the accompanying documentation (if any) for a period of ninety (90) days from the date of original purchase of a license to the Software Product from an authorised retailer or directly from Jasc (or the date you have obtained authorization from Jasc or an authorised retailer to convert an Evaluation Version to a Full-License Version) (in each case the "Purchase Date"). Implied warranties on the Software Product, to the extent required by applicable law, are limited to ninety (90) days from the Purchase Date. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, JASC AND ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS WITH REGARD TO OR ARISING OUT OF THE SOFTWARE PRODUCT, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND/OR ACCURACY OF INFORMATION. The Limited Warranty is void if failure of the Software Product has resulted from accident, abuse, misapplication, use of the Software Product other than as described in the documentation issued by Jasc, use of the Software Product in combination with other Software Products that are not described as compatible in the documentation issued by Jasc, or your breach of the terms of this EULA. This warranty gives you specific legal rights, and you may also have other rights which vary from State to State. No individual (except a duly authorised officer of Jasc) and no reseller or retailer has any authority to amend or add to any of the above representations and disclaimers.

**YOUR REMEDY.** Your exclusive remedy for any breach of the Limited Warranty is for you to give us notice of the breach by returning to Jasc (at the address shown below) a copy of your purchase receipt for your copy of the Software Product and a description of the alleged breach, and then, at Jasc's option, Jasc shall either: (a) return the price you paid (if any) for the Software Product (at which time your rights under this EULA are deemed to have terminated); or (b) repair or replace the Software Product. The Limited Warranty period for any replacement Software Product will be extended for the remainder of the original warranty period or thirty (30) days after the replacement Software Product is delivered to you, whichever is longer. If your license is for an Evaluation Version, your exclusive remedy for any breach of this EULA, including a breach of the Limited Warranty, shall be to terminate your rights under this EULA. Your remedies described in this paragraph are your exclusive remedies, and shall not be deemed to fail of their essential purpose so long as Jasc is willing to repair or replace the Software Product or return the price you paid for the Software Product.

**LIMITATION OF LIABILITY.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL JASC OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE PRODUCT, EVEN IF JASC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY CASE, JASC'S ENTIRE LIABILITY UNDER ANY PROVISION OF THIS EULA SHALL BE LIMITED TO THE GREATER OF THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE PRODUCT OR US\$5.00. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

**STATEMENT CONCERNING U.S. GOVERNMENT USERS.** The Software Product is commercial computer software developed exclusively at private expense, and in all respects is proprietary data belonging to

Jasc or its suppliers. The Software Product is comprised of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R § 12.212. Consistent with 48 C.F.R. § 12.212 and 48 C.F.R. § 227.7202-1 through § 227.7202-4, all U.S. Government licensees acquire the Software Product with only those rights set forth in this EULA.

**SITE LICENSES.** The owner of the computer that you are installing the Software Product upon may have entered into a broad license agreement with Jasc governing the use of certain Jasc products including this Software Product. To the extent that the owner of the computer has entered into such an agreement that specifically states that it governs the use of the Software Product on computers owned by the owner, then any conflict between that agreement and this EULA shall be resolved in favor of the terms of that agreement, but otherwise this EULA shall simultaneously govern your license to the Software Product.

**THIRD PARTY WORKS.** To the extent that any third party's intellectual property is incorporated within the Software Product, you agree that such third party is a third-party beneficiary of the terms of this EULA to the extent of the third party's license to Jasc.

**SAMPLES.** The Software Product may be provided with certain "Sample Forms" intended to demonstrate use of the Software Product or provide a base starting point for use of the Software Product. Sample Forms includes forms, templates, Paint Shop Pro "tubes", or similar items. If Sample Forms are provided, they are considered part of the Software Product for purposes of this EULA. However, you may use and create derivative works from Sample Forms, provided that you do so in conjunction with your use of the Software Product, and that you maintain any copyright notices that may be incorporated within the Sample Forms.

**GENERAL.** This EULA constitutes the entire agreement between you and Jasc concerning the Software Product. No terms of any purchase order, acceptance, purported amendment, or any document or communication other than an agreement expressly agreed upon in writing by a duly authorized officer of Jasc shall replace, modify, amend or override this EULA. If any provision of this EULA is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable, and such decision shall not affect the enforceability of such provision under other circumstances, or of the remaining provisions hereof under all circumstances. No waiver by Jasc of any breach of any term or provision of this EULA shall be construed to be a waiver of any preceding or succeeding breach of the same or any other term or provision hereof. Our various rights and remedies hereunder shall be construed to be cumulative and no one of them is exclusive of any other or of any right or remedy allowed by law or in equity. This EULA shall be governed by and construed in accordance with the laws of the State of Minnesota, USA (without regard to its choice of law principles), except to the extent the local law of your local jurisdiction requires use of your local jurisdiction's law, and shall benefit Jasc, its successors and assigns. ANY CLAIM OR DISPUTE BETWEEN YOU AND JASC OR AGAINST ANY AGENT, EMPLOYEE, SUCCESSOR OR ASSIGNEE OF JASC, WHETHER RELATED TO THIS AGREEMENT OR OTHERWISE, AND ANY CLAIM OR DISPUTE RELATED TO THIS AGREEMENT OR THE RELATIONSHIP OR DUTIES CONTEMPLATED UNDER THIS AGREEMENT, INCLUDING THE VALIDITY OF THIS ARBITRATION CLAUSE, SHALL BE RESOLVED BY BINDING ARBITRATION BY THE NATIONAL ARBITRATION FORUM TO BE HELD IN MINNEAPOLIS, MINNESOTA UNDER ITS CODE OF PROCEDURE THEN IN EFFECT. Any award of the arbitrator(s) may be entered as a judgment in any court of competent jurisdiction. Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties. Information concerning such arbitration may be obtained, and claims may be filed, at any office of the National Arbitration Forum or at P.O. Box 50191, Minneapolis, MN 55405. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this EULA.
