Templates of Doom by Pete Antoniak

   Templates of Doom is an interactive adventure game tutorial for Lotus
1-2-3 version 1a, 2 VP-planner and the TWIN. This is a demonstration
version consisting of 3 of the 16 Adventure Templates, a score card and an
an instruction template. Donations are NOT requested.
   The player is exposed to many Lotus 1-2-3 commands in the process of
following the game's swashbuckling James-Bond-type hero. The purpose
of the game is to improve one's abilities with Lotus. It challenges
both beginners and advanced players alike. The complete game cost
$39.95 plus $2.50 postage and handling, (add $2.60 California
tax if appropriate) and is available from:Solar Systems Software
8105 Shelter Creek, San Bruno, CA 94066 , (415) 952-2375.
TO RUN:
1)Load Lotus 1-2-3 release 1a or 2, VP-planner or the TWIN.
2)Retrieve the file INSTRUCT if you want to read the instructions.
3)OR retrieve the file SCORECRD if you just want to get started.
TO ORDER:
1)An order form is on the SCORECRD and INSTRUCT template.
