Value Converter
Version 1·0

Designer   **Craig Ward (100554,2072)**
Date   **30/8/95**

Function   **Converts Values to specified format**

****

My Terms

This product has been released into the public domain, **FREE!** I want no money in return, and you are welcome to make as many copies, and distribute them, as you like. **However,** I would appreciate some feedback, especially bugs or imporovements that you think that I should make.

Files

For this program to work, the **CONV.HLP** must be in the Windows directory, whilst **CVERT.PAS** must be added to the Delphi library (it's a custom component).

Conclusions

I hope that it helps. **Have fun and don't forget to give me some feedback!**

"Remember, the force is with you..."
