This is the Billings Summary Menu. [You can change 'Billings' to any 0

15 character word or phrase at the Custom Options menu.]	0
--	---

At this Billings Menu, you can select a summary for any time period, 0

for any one truck or for all trucks, and for any category or all categories. 0

This will become clear as we move through the tutorial. For now,

enter a '3' to see the billings for the existing Test Data. 0

Vehicle registration today.  <=====
20
50
50  <=====
@7
You registered this vehicle today and billed $50.
Let's continue and add the second record by  entering any key.
Let's say that you added a second record for the same truck, NBF199.
