Welcome to the Cakewalk Demo CD Online Help

- To view a Cakewalk product demo, first click a product button to select the product, then click Install Product Demo. After the demo has been installed on your system, launch it from your Windows desktop as you would any other product.
- Click the More Information button to view detailed product information, read product reviews, compare product features.
- Click the Print Information button to print the information you see in the viewing window on the screen.
- Click the View User's Guide button to get helpful information about using the Cakwalk products.

The opening guitar performance was recorded by Steve Savastano using Cakewalk Pro Audio. Copyright ©1996 Steve Savastano. All Rights Reserved.
