- (3) Use THE SOFTWARE on a network, provided that you have a separate software license for each computer that can access THE SOFTWARE over that network;
- (4) Distribute copies of THE SOFTWARE free of charge to third parties provided you do not supply any serial number to the third party. You must include this document and all other related materials that came with THE SOFTWARE package; or
- (5) After written notice to THE AUTHOR, transfer THE SOFTWARE on a permanent basis to another person or entity, provided that you retain no copies of THE SOFTWARE and the transferee agrees to the terms of this agreement.
