

Power Browser  
Coded by Dustin Davis  
Bootleg Software Inc.  
<http://www.warppnet.org/bsi>

#### Intro

Power Browser is the ONLY browser that gives you the option of accepting or Blocking Annoying Pop-up windows! It uses the same control an Internet Explorer 5.0 and even supports plugins

#### Notes

This version does not support  
saving  
history  
editing  
loading  
printing  
new windows
