Thank you!

You decision to register I Declare! helps keep the shareware concept alive. Just fill out the following form, return it to the address indicated with a check or money order for \$20.00 USD made out to me, Dan Mullin, and I will immediately send out your registered version. You will also be placed in my customer database for receipt of updated versions of I Declare! and information on new or corrected declarations. Overseas customers, please include an additional \$4.00 USD for shipping.

Note: To make it really easy for both of us, just fill in this form in Write and print it out!
