This simple Worksheet demonstrates the variety of graph types that are available in AS-EASY-AS, while, at the same time, demonstrating some of it's unique macro capabilities!

ÄÄÄ ÄÄ ÄÄ ÄÄ

The menus displayed on the left, and the underlying

actions taken, are all created using AS-EASY-AS macros. Simply move the cursor to the type of graph that you want to access and press [ENTER]! The graph will be automatically displayed on the screen, until you press any key on the keyboard.

To exit this simple demo and return to the Read

Worksheet mode simply select Exit.
