

## 14 History

### 1.0A (6 June 1995)

- A number of syntax errors in the manual and user messages corrected. Several fuzzy paragraphs of the manual were rewritten. Thomas Robb and Chip Sample provided long error lists!

None of the code of SimpleWave was changed.

### 1.0 (29 May 1995)

- Minor correction for using the alias icon position properly when an alias file was resolved.

### 1.0f1d1 (18 April 1995) - 1.0f1d3 (19 May 1995)

- Series of final versions for testing with three releases to a larger test group. Total list of improvements omitted.

### 1.0b1 (16 January 1995) - 1.0b3 (10 April 1995)

- Series of beta versions for testing with three releases to a larger test group. Total list of improvements omitted.

### 1.0a1 (1 August 1994) - 1.0a35 (2 January 1995)

- Series of alpha versions for testing with seven releases to a larger test group. Other alpha versions were released for testing by the author and a limited group of users. Total list of improvements omitted.

### 1.0d1 (27 July 1994) - 1.0d2 (31 July 1994)

- Development versions for testing by author.
