If you want to have the full version of the Gestalt Selectors List (GSL) then you can obtain the latest version in several ways:
• by sending email to the mail archive server at:

```
gestalt-selectors-list-request@bio.vu.nl
```

with the subject:

```
archive get recent/gestalt-selectors.etx
```

or to get the compressed version:

```
archive get recent/gestalt-selectors.sit.hqx
```

• FTP to the info-mac archives at sumex-aim.stanford.edu and get the file

```
/info-mac/dev/info/gestalt-selectors-xx.hqx
```

You can also use any of its mirror sites.

• World Wide Web
The GSL is available, behind the editor's home-page, at:

```
http://www.bio.vu.nl/home/rgaros/
```

It is also available, together with other Macintosh FAQs, at:

```
http://www.astro.nwu.edu/lentz/mac/faqs/source/gestalt.html
```

Also, on the Apple WWW site in:

```
       http://www.info.apple.com/cgi-bin/lister-pl?
Apple.Support.Area/Developer_Services/Tool_Chest//OS_Utilities
```

• America OnLine
You can find the GSL on AOL in the "MDV/Documents and Proposals" directory.

• AppleLink
In the near future the GSL will be available in the Apple folders.

• CompuServe members can find it at the Macintosh Developers Forum (GO MACDEV) in the Tools/Debuggers (13) section.
Or use the Internet locations by using GO INTERNET.

• CD-ROM
The GSL is included, with permission, on these CD-ROMs:

```
    Apprentice CD-ROM                   (Celestin Company)
    BBS in a BOX CD-ROM                 (Arizona Macintosh Users Group)
    Bookmark CD                         (Apple Computer, Inc.)
    Developer CD Series, Tool Chest     (Apple Computer, Inc.)
    Info-Mac CD-ROM                     (Pacific HiTech, Inc.)
    The Right Stuffed CD-ROM            (Quantum Leap Technologies, Inc.)
```

• Subscribers of the maillist received the latest version automatically when it was released.
If you want to join this list you need to send a request to:

```
gestalt-selectors-list-request@bio.vu.nl
```

with in the subject line 'subscribe'.
You will then also receive several updates before the next version is released. This list is only for distribution, not for discussions.

The author of SimpleWave is also the editor of the Gestalt Selectors List, and thus including this data was done with permission. Inclusion with documentation is allowed if proper credit is given. See the Legal Stuff chapter of the Gestalt Selectors List for more detailed information.
