## How was it done?

This document was created with Adobe Illustrator 5.5, and converted to the PDF format by using the PDFWriter that is included with Adobe Acrobat 2.0. It has been updated and maintained in Adobe Illustrator 5.5 which is the only application (currently) that allows you to edit and save PDF files. This file was created by Bill Lindsay with help from Sylvia Wanderaas.

The Adobe Logo, all Adobe products listed, and Acrobat are trademarks of Adobe Systems Incorporated. ©1994 Bill Lindsay
