

## **CERTIFICATE HELP**

The certificate displays your overall rating/status achieved in the test. A progress breakdown for each subject area in the form of the percentage completed is also displayed. (Those marked with a star indicate subjects in which incorrect answers were chosen.)

There are eleven overall ratings from Novice through Mediocre, Average, Competent, Proficient, Informed, Accomplished, Knowledgeable, Master, Expert to Genius. There is also a twelfth status reserved for the very best performers. To find out what this is, you need a 100% performance in the test.
