

## Electronic Mail

Send email to <mauisw@aloha.net>.

You can send mail to this address from any on-line service, such as America Online, eWorld, AppleLink, and CompuServe.

If you send email from CompuServe, proceed the address with "INTERNET:" so it looks like

INTERNET:mauisw@aloha.net

You may not be able to send files (attachments) to our Internet address from non-Internet services (although that may change in the future with some on-line services. AOL may allow this now). Send your order form to us as an email message, and not as an attached file.
