

You can choose to have TimeSlice “speak” to you. For example, TimeSlice will speak some error messages and greet you upon start up if Text to Speech is activated.

If you don't have Apple's Text to Speech installed, you will not be able to use this feature. To obtain Text to Speech, visit your nearest Apple dealer, or in the U.S., you can call 800-SOS-APPL.

nable Text to Speech, when checked, activates Text to Speech.
Choose the voice of choice from the Voice pop-up menu.
