How Harvard and Freelance Compare on Key Features

In the features war, Harvard Graphics 3.0 and Freelance Graphics for DOS 4.0 have adopted different strategies. Freelance focuses on outlining and charting; Harvard fine-tunes its drawing.

	Harvard
Spell-checker	y
Number of colors on-screen	64
Live links to spreadsheets	n
WYSIWYG fonts and color	y (preview only)
Free runtime slide show	n
Animation effects	y
3-D x,y,z charts	n
Automatic text-chart building	y

Freelance
