

Xa-Fills 4

A new powerful set of fills for corelXaraTM or for any application that supports bitmaps (perfect for patterns in Photoshop)

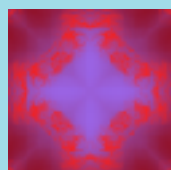

50hi-res royalty-free fills/seamless textures

Add wonderful textures to your corelXaraTM. Fill shapes or text. Use to create fascinating transparency effects.

These fills can also be used in other applications that support seamless bitmaps such as xara3DTM, or they can be used in PainterTM as patterns or grains.
