

Welcome

Begin by clicking on the **Getting Started button** in the middle of this screen. You'll find out how LandDesigner can help you build the landscape of your dreams.

- As you move through each screen, you can learn more tips by clicking on the **Tutorial button**, when it's available on the Guide Tab.
- Click **Interview** to move to the next screen and get started.

[<<GUIDE contents>> Tip: Don't miss the Design Guide!!<<END>>](#)

It's an excellent resource for landscape design and construction ideas.
