

**#39: Segment Loader Patch**

Written by:	Russ Daniels Bryan Stearns	August 1, 1985
Modified by:	Jim Friedlander	November 15, 1986
Updated:		March 1, 1988

This note formerly described a patch to the Segment Loader for 64K ROM machines. Information specific to 64K ROM machines has been deleted from Macintosh Technical Notes for reasons of clarity.
