=====  
It would be very helpful if you can say where your evaluation copy of MOZART came from:

**NOTES:**

1. If you wish to register with payment specifically in **US\$** then please see the alternative form **regusa.wri**. **CompuServe** subscribers may alternatively register using the on-line shareware registration forum. To do this, GO SWREG and select "MOZART" (ID: 4079) or "MOZART Virtuoso" (ID: 4080).

**2. The extended capability** of the Virtuoso Edition over that of the Standard Edition is explained in the section "Mozart versions available" of the on-line help system of your evaluation copy. Please contact the author for site licence terms for multiple copies.
