

Evolution Sound Studio

Welcome to the future...

You are about to experience the future of music making on the PC. From beginner to expert, you will find a mass of ground-breaking features that will help you achieve your musical dreams.

With Sound Studio's unique on-screen home keyboard and professional recording studio features, you'll be making music in minutes.

Let your musical imagination go wild...

If you have the shareware version of Sound Studio which locks up after 30 days or 180 uses then you can buy a registration code at anytime direct from our Web site which will turn your shareware version into the full version. Go to...

www.evolution.co.uk/registration

Want to find out about other Evolution products, then visit our Web site...

Fax +44 1525 383228

We offer free Technical Support to all our registered customers. If you have a technical problem then please read the relevant section of the Help Text and have a look through the Frequently Asked Questions section which usually provides the answer. If you're telephoning for support then please have the phone close to the PC which is running the software. Please remember that the lines are usually very busy, so Email would be the best option. Here is the Email address...

support@evolution.co.uk

When asking for technical assistance, please have the following information to hand:
