

Ordering Orbsters v1.3

Copyright 1997 NanZarts L.L.C.

All Rights Reserved

Original Release Date: 5 - 1 - 97

Latest Release Date: 10 - 3 - 97

Please send your messages to "email@nanzarts.com"
Also, please don't forget to visit our web site at
<http://www.nanzarts.com>

1. Retail Version VS Sharware Version

The retail version of Orbsters has the following exciting features:

- Total of 32 challenging stages to blast through.
- All Power-up capsules are available.
- You can take screen shots of any part of the game. Show off and tell your friends about it!
- Help to feed NanZarts programmers (well, it's more like a benefit to us...:-).
- NanZarts will like you.

2. Ordering method

We only accept credit card transactions through your browser. You can order our products from Maagnum Corporation using secure web transaction. Support (Q&As) is available via email only (sorry, no phone calls please).

To order the retail version, please visit our web site at "<http://www.nanzarts.com>". Please follow the ordering instructions there. We hope you'll enjoy our products just as much as we did making it!

3. Boring legal stuff

Copyright: All rights, title and copyright are owned by NanZarts.

NanZarts Orbsters ("Software Product") is protected by copyright laws and international copyright treaties as well as other intellectual property laws and treaties.

NO WARRANTY: NanZarts expressly disclaims any warranty for the Software Product. The Software Product and any related documents are provided "as is" without warranty of any kind, either expressed or implied, including, without limitation, the implied warranties of merchantability or fitness for a particular purpose. The entire risk arising out of use of performance of the Software Product remains with the end user.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES: To the maximum extent permitted by applicable law, in no event shall NanZarts or its suppliers be liable for any damages whatsoever (including without limitation, damages for loss of business profit, business interruption, loss of business information or any other pecuniary loss) arising out of the use of this Software Product.
