Thank you for installing the *Bible Scenes Screen Saver*. This project has been a painstaking labor of love, taking over a year and a half to complete. All 21 images are original and very unique paintings created by our own (very talented) art department.

As the screen saver progresses, each scene is narrated with appropriate verses from the Revised Standard Version ("RSV") of the Bible, telling the story of each image.

The shareware (30-day trial) version contains 10 images from the Old Testament, and all of the available user features (speed, image selection, transition effects, etc.). The full (pay-for) version is available from Rhode Island Soft Systems, Inc. for only \$16.95 and can be ordered online at our website (noted below), over the phone, or via faxing in the enclosed order form.

The full (pay-for) version provides everything in the Trial version **PLUS** 11 additional scenes from the New Testament.

Old Testament scenes include:

- * Creation
- * Adam and Eve
- * Noah's Ark
- * The Tower of Babel
- * God's Promise to Abram
