

BRITISH MADE BESPOKE TRADITIONAL OAK FURNITURE

About Us

We have been providing high-quality, British-made oak and cherry furniture and sofas for many years.

We offer a wide variety of furniture from tables, chairs, sideboards and dressers to hi-fi and CD cabinets and study furniture. Our brochure shows a selection from our range in lifestyle settings and as individual pictures. All our furniture is made to order, so you can have the final choice of size, colour and detailing.

We also offer a full bespoke and room design service. We will bring items of furniture to your home for you to see them in their proposed setting. If required, we can design pieces to suit your individual needs. There is no charge for this service and no obligation on your part.

You can see our furniture and sofas at major shows and exhibitions around the country throughout the year. A schedule of these events is available separately on request or via our website (www.brynhall.co.uk). You can also make an appointment to visit our showrooms.

As a family, we have many years of experience in providing furniture and sofas. We hope you like what you see and that we may be of help to you. Please do not hesitate to call or e-mail us with any questions.
