

CLICHE,C,70
America's love affair with the automobile
American dream
ace in the hole
almighty dollar
ambulance chaser
apple-pie order
arm and a leg
armchair liberal
armchair quarterback
army brat
art imitates life
artsy-craftsy
as luck would have it
at loggerheads
badge of honor
ballpark figure
bat out of hell
battle royal
beat around the bush
behind the eight ball
best foot forward
better half
better late than never
better mousetrap
beyond the pale
bib and tucker
birds and the bees
bitter disappointment
black as coal
bleeding heart
blushing bride
booze and broads
born and raised
brass tacks
bull by the horns
bull in a china shop
bump in the night
busy as a bee
but seriously
by and large
calm before the storm
candle at both ends
case of mistaken identity
cat out of the bag
caught red-handed
checkered career
chickens come home to roost
cleanliness is next to godliness

cold shoulder
communist conspiracy
conniption fit
could care less
couldn't care less
couldn't get to first base
countless hours
creature comfort
crime in the street
curry favor
cut a fine figure
cut and dried
cut to the quick
cute as a button
darkest before the dawn
dead as a doornail
death and destruction
death and taxes
death's doorstep
dim view
distaff
dog days
dog in the manger
doubting thomas
down in the dumps
down pat
down the hatch
dutch uncle
ear to the ground
easier said than done
easy as pie
enough already
evil twin
existential angst
experts agree
facts of life
fat slob
favor us with a song
fear and loathing
fellow traveler
few and far between
field this one
fish nor fowl
for the birds
freudian slip
fun and games
fun in the sun
galore
garbage in, garbage out

get the sack
get your goat
gets my goat
gild the lily
gilding the lily
give a damn
give me a break
gives me the creeps
go him one better
goes without saying
good time was had by all
greek to me
green thumb
green-eyed monster
hair of the dog
hard to believe
have a nice day
head honcho
heart's content
hidden agenda
high on the hog
hold a candle to
home the bacon
hook or by crook
horse of a different color
i'm okay, you're okay
in a nutshell
inexorably drawn
influence peddling
intents and purposes
it was a dark and stormy night
joy and sorrow
king's english
kiss of death
knock on wood
know him from adam
last but not least
law of the jungle
leaps and bounds
let sleeping dogs lie
liberal media
life and limb
life imitates art
lighten up
like a sore thumb
like the plague
little black book
long lost love
look before you leap

lounge lizard
loved and lost
make my day
male chauvinist
man's best friend
many moons
many-splendored thing
meaningful relationship
mellow out
moment of glory
moment's respite
monday morning quarterback
monkey suit
motherhood and apple pie
movers and shakers
moving experience
neat as a pin
nerd
nip it in the bud
nipped in the bud
no love lost
no stone unturned
no time like the present
nose to the grindstone
not in my back yard
not on your tintype
number one fan
numerous to mention
off the wagon
old meets new
older and wiser
on the bandwagon
on the nose
on the wagon
one born every minute
one foot in the grave
one in a million
only game in town
only to be met
out of the frying pan
p's and q's
pain and suffering
panic button
party pooper
patter of little feet
pay through the nose
peas in a pod
pig in a poke
pinko

poison pen
poor excuse for
proud possessor
quick as a bunny
radical chic
raining cats and dogs
rank and file
read my lips
red herring
reign supreme
reigns supreme
remember the alamo
road to hell is paved with good intentions
rock and a hard place
running dog lackey
safe than sorry
salt of the earth
scared stiff
scared to death
screaming meemies
senses reel
set the record straight
shake a stick
should of
shoulder to the wheel
shouldered his way
sigh of relief
significant other
silence is golden
simon pure
slept like a log
small world
snow job
snug as a bug
some of my best friends
something the cat dragged in
southpaw
spade a spade
spare the rod
spitting image
sprightly
spring to life
squeaky wheel gets the grease
start from scratch
stick in the mud
still waters run deep
still, small voice
stone fox
store bought

strident feminist
stuff that dreams are made of
stuffed shirt
take the plunge
takes one to know one
talk turkey
ten foot pole
the earth moved
the final analysis
the real mccoy
the same old story
these things happen
third time's the charm
this day and age
this point in time
three strikes and you're out
through the grapevine
throw in the towel
till the fat lady sings
time and time again
to err is human
to the best of my knowledge
tongue in cheek
tongue-in-cheek
touch of blarney
tough as nails
traditional family values
trials and tribulations
tried and true
true blue
twist of fate
twists and turns
under the gun
under the same roof
understated elegance
unexpected twist
unique
up his sleeve
up the creek
up the wrong tree
very real concern
view with alarm
was my face red
web of intrigue
week of sundays
what a bummer
what the dickens
what the heck
what the hell

what you see is what you get
what's not to like
wheeler-dealer
who has everything
whole ball of wax
whole hog
wild oats
wimp
win friends and influence people
wisdom of the ages
without benefit of clergy
wolf at the door
words fail
work like a dog
worst nightmare
wrong side of the bed
years young
yellow journalism
you are what you eat
you know what they say
young and foolish
yuppie
