3Dkit Examples

The **/NextDeveloper/Examples/3Dkit** folder contains 3Dkit examples. Other 3D related examples include Graph, in /NextDeveloper/Examples/AppKit, and /NextDeveloper/Examples/RenderMan, which contains a few sample **.rib** files.

An alphabetical listing of the examples in this directory follows, with a brief description.   For more information about each example, please refer to the **README** or **README.rtf** file located within the example folder.

Simple

This simple example demonstrates how to take advantage of many of the

features provided by the 3Dkit. A subclass of N3DCamera controls a simple environment and allows saving RIB code to a file.
