NEXTSTEP In Focus is designed, written, and produced with NEXTSTEP. Proofs are printed on a NeXT 400 dpi Laser Printer. Final pages are transferred via a NeXT 2.88MB floppy disk to film using NeXT computers and an electronic image setter.

About NEXTSTEP In Focus

NEXTSTEP In Focus Support Bulletin for Users and System Administrators is a quarterly technical journal published by NeXT. It provides timely technical information to system and network administrators and users, to help you better support your NeXT network or user community and to let you make the most of NEXTSTEP.

Each subscription issue includes a floppy disk that contains an electronic version of the bulletin. The disk can be used with the Digital Librarian application to access information on specific topics by searching for keywords.
