Colophon
NEXTSTEP In Focus is designed, written, and produced with NEXTSTEP. Proofs are printed on a NeXT 400 dpi Laser Printer. Final pages are transferred to film using NeXT computers and an electronic imagesetter.

About NEXTSTEP In Focus
NEXTSTEP In FocusÐSupport Bulletin for Users and System Administrators is a quarterly technical journal published by NeXT. It provides timely technical information to system and network administrators and users, to help you better support your NeXT network or user community and to let you make the most of NEXTSTEP.
