

# OPENSTEP SPECIFICATION

---

**Summary Version**  
**6/30/94 Draft**

Copyright © 1994 NeXT Computer, Inc. All rights reserved.

This preliminary specification is being published by NeXT Computer, Inc. to give developers an early look at the OpenStep open object standard. It is intended for information purposes only, and is subject to change at any time without notice.

You may down-load one copy of this specification as long as a) it is for purposes of study only, and b) you do not alter it in any way nor remove the "Preliminary" markings on each page. We look forward to publishing the final OpenStep specification by September 30, 1994, and licensing third parties to create original implementations from that specification. No such license is granted or implied by the publication of this preliminary specification. If you would like information on obtaining such a license, please contact NeXT at [OpenStep@NeXT.COM](mailto:OpenStep@NeXT.COM).
