Adobe Premiere™ 4.0 Tryout Version for Windows

=====

This tryout version of Adobe Premiere is provided to allow you to preview the features of Adobe Premiere 4.0. It supports all of the same features as the full version, except that it will not save any files, build movies, or capture movies.

For the location of the Adobe dealer nearest you, please call Adobe Systems at 1-800-833-6687.
