

# Interface `java.awt.peer.ScrollbarPeer`

public interface **ScrollbarPeer**  
extends [Object](#)  
extends [ComponentPeer](#)

---

## Method Index

- o [\*\*setLineIncrement\*\*](#)(int)
- o [\*\*setPageIncrement\*\*](#)(int)
- o [\*\*setValue\*\*](#)(int)
- o [\*\*setValues\*\*](#)(int, int, int, int)

## Methods

### o **setValue**

```
public abstract void setValue(int value)
```

### o **setValues**

```
public abstract void setValues(int value,  
                               int visible,  
                               int minimum,  
                               int maximum)
```

### o **setLineIncrement**

```
public abstract void setLineIncrement(int l)
```

### o **setPageIncrement**

```
public abstract void setPageIncrement(int l)
```
