

Ordering

There are 3 ways to register (purchase) Java Script It!.

1. Online through Java Script It!'s web site (see **Help** menu) with credit card
2. Phone or fax with a credit card (visit Java Script It!'s web site for more)
3. Offline through the **Order Form** provided with a check or money order

To order using the **Order Form** provided, choose the menu item **Order Form** found under the **Help** menu in the main Java Script It! interface. After filling out all the information just click **Print**. If you are handwriting this order form then please include the version number. When payment is received and cleared you will receive an e-mail with your registration code to unlock Java Script It!. You will also receive a letter through standard mail containing your receipt and registration code.

Below is a list of benefits you receive for registering Java Script It!:

- Full and permanent access to all 12 applications
- 50% off future versions (2.0 etc.)
- No more dialogue box when Java Script It! is launched
- Splash screen at launch closes 4 times faster
- E-mail notifications of updates, patches and new versions
- Free updates and patches for current version
